3rd Thursday, 17 December, 7:30 PM

VIRTUAL MEETING ON ZOOM

Pre-Meeting Hospitality & Fellowship

- Join Zoom starting a little before 7:00 PM
(See Set Up instructions in this Newsletter)
- Grab your favorite snacks, if desired

PROGRAM

By Jim Gifford KD8APT

Ham Radio Related YouTube Videos

Jim will present an overview of the many Amateur Radio videos available on YouTube.

There are ‘tons’ of videos about almost every possible ham radio related topic explaining in various degrees of detail about almost any piece of equipment; how-to’s on designing-constructing-testing and operating home-brew projects; instructions for setting up and operating different modes; history and background on operating activities and organizations, etc., etc., etc.

It’s never a dull day when you start surfing YouTube and other amateur radio related sites on the web.

Jim will tell us all about it! Thanks, Jim!

December Activities

All BARC In-Person Meetings and Activities scheduled at the Clubhouse are CANCELLED until further notice.

BARC December General Meeting (12/17)

- ONLINE Via ZOOM

John Westerkamp will distribute via the BARC Reflector prior to Thursday the link for joining the Zoom Meeting.

Then, CLICK on that LINK beginning at 7 pm Thursday to join the Zoom Meeting. You may not see or hear anything until just before the ZOOM session begins. John will be available on the BARC 2m repeater to assist if anyone has any questions.

Since this will be a virtual meeting, each member will be responsible for his or her own virtual popcorn and/or other virtual refreshments. 😊

How to Set Up Zoom

ZOOM-Basic Setup & Configuration

John Westerkamp has provided a link to the Zoom Video Tutorials:

<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-Video-Tutorials>

John recommends the "Join a Meeting" and the "Joining & Configuring Audio & Video" tutorials for new users. Additional tutorial topics are included for those interested in learning about other features of Zoom.

Send any questions or problems to John ASAP but BEFORE the next meeting.

Last Meeting Minutes & Notes

Minutes-Nov 19 General Meeting

By Jim Gifford KD8APT, Secretary

NOTE: This meeting was conducted virtually on ZOOM because of the Coronavirus.

Officers and Directors Present: 6

- President: Jim Totten WA8HUB
- Vice President: Don Parker KB8PSL, Meeting Program Coordinator
- Treasurer: John Westerkamp W8LRJ, Education
- Secretary: Jim Gifford KD8APT, QSL Coord
- Sr. Director: Roger Parrett NQ8RP
- Sr. Director: Joe Muchnij N8QOD

Functional Coordinators Present: 6

- Sean Dickins K8SPD, IT Coordinator
- Ray Hitt N8VMX, Field Day Chairman

- Bob French AC8ZU, Webmaster
- Paul Sharp KD8OPN, Assistant Treasurer
- Natinka Siwecki KD8NUA, Librarian, Hospitality Coordinator
- Fred Stone W8LLY, Newsletter

Functional Coordinators Absent: 4

- Trevor Clarke K8TRC, Tech Night/Workbench Co-Coordinator
- Jim Lusk KC8EFD, Clubhouse Coordinator
- Russ Roysden N8NPT, Repeater Coordinator
- Henry Ruminski W8HJR, GCARES Liaison

Total Attendance (All via Zoom): 31

The meeting was called to order at 7:31 by President Jim Totten WA8HUB who led participants in the Pledge of Allegiance.

Totten provided opening remarks thanking everybody for participating online.

New Business.

Agenda Item 1. Don Parker KB8PSL presented a dual-subject presentation

Parker shared a slide presentation on Amateur Radio “Go-Kits.” He said that once a plan is activated there often is not much time to prepare. A mobile go-kit might contain headphones, 25’ of coax (RG-58) or 100’ of RG-8X, connectors and assorted adaptors, paper copies of common frequencies, and perhaps a chair and folding table.

Parker showed a photo of a crowded EOC room with police, fire, and other participants and explained that headphones are a necessity to hear in crowded rooms.

He said typical activations include storms, flooding, blizzards, and power outages caused by wind.

Other kit items might include spare batteries, an HT battery charger, antenna connectors, magnetic-mount antenna, a J-pole or quad antenna, and a power strip. Other items might be a AA battery pack, extra AA batteries, water or non-alcoholic beverages, snacks, two or three pens, flashlight, and a small knife. Parker went on to describe assorted tools, duct tape, jacket or sweat shirt, rain gear, boots, and a small fanny pack. Also included might be a basic first aid kit, vinyl gloves, alcohol wipes, face mask, hand sanitizers, band aids, aspirin, Tylenol, and/or Pepto Bismal.

For Part Two of his presentation, Don Parker spoke to members about power lines. His visual presentation was of a power pole with a distribution power line near the top, then transformers, next secondary power lines, and lastly telephone/cable TV lines.

He described the danger of downed power lines and advised members to stay 40 to 50 feet away from high voltage lines, and 15 feet away from distribution lines.

Agenda Item 2. Reports

Jim Totten WA8HUB asked for a motion to accept October’s Minutes as published in the newsletter. Steve Siwecki KD8NUC moved we accept; Larry Darner KD8RER seconded. Members had no additions. Motion passed.

Treasurer John Westerkamp W8LRJ provided a Financial Summary. We had \$237 income in dues and spent about \$3,000 on computer equipment for the clubhouse and Comm Center Stations. Details will show up in November’s report to members. Joe Muchnij N8QOD moved we accept the Treasurer’s Summary; Larry Darner seconded. Motion passed.

Agenda Item 3. Open Discussion

Sean Dickens K8SPD reported that the new computers were purchased and installed. He then met with one of the pastors of the church in the building and was able to connect to the church’s Internet service. It is high speed and works great. The church is sharing its internet with BARC at no cost as a “friendly neighbor”. A suggestion by a BARC Planning Group member to make an annual donation of \$100 to the church to express our appreciation for the shared internet service was approved by the Planning Group at one of its past meetings.

Dickens said that as a non-profit organization BARC can apply for no-cost Microsoft Office 365 software. He said the club needs to get with Tech Soup, and they can validate us as a non-profit in order to request the no-cost software. Dickens asked about who controls our domain name and Jim Totten advised Dickens to contact Russ Roysden N8NPT.

John Westerkamp gave an update on Echolink. He is going to replace it with All-Star Echolink after a part he ordered arrives. He also stated he was able to connect Wires-X on the BARC 440 repeater. James Dean W8UD reported he was able to connect using his Wires-X radio.

Don Parker reported that he and Jim Gifford KD8APT were able to install the BARC signs at the four entrances to Bellbrook—at the City Limits on West Franklin Street and East Franklin Street (SR-725), on North Main Street/Upper Bellbrook Road and on South Main Street/Waynesville Road.

Ken Gunton W8ASA asked if our Magic Jack phone still works. Paul Sharp KD8OPN said we had paid

ahead four or five years, three years ago. Sean Dickens said he checked it and it still works well.

Paul Sharp advised he had placed several pieces of Ham gear donated to the club on the second to back table. Members can take what they need and the club will accept donations.

Steve Siwecki was checking with Fred Stone W8LLY (who had not yet joined the meeting.) Fred Stone and Henry Ruminiski W8HUR are on the Nominating Committee and need to report on the slate of officers for 2021. Fred Stone then joined the Zoom meeting after being detained by another obligation. He said all officers are eligible to serve for another year and have agreed to do so.

Only the Junior Director position is vacant, because under the bylaws the Junior Director (Joe Muchnij) advances to the Senior Director position (occupied by Roger Parrett NQ8RP during 2020). Stone announced that Jackie Wysong KE8LZE had volunteered for Junior Director and was proposed as a nominee for the position. No other nominations were proposed from the floor. Ken Gunton moved we accept the slate of nominations; Darryl Fowler KD8JQE seconded. Passed. The Election of 2021 Officers and Jr. Director will be held at the December general membership meeting in accordance with the BARC Constitution & By-Laws. The Slate of Candidates includes incumbents Jim Totten-President, Don Parker-Vice President, Jim Gifford-Secretary, John Westerkamp-Treasurer and Jacalyn Wysong-Junior Director.

Jim Totten discussed the possibility of using browsers to do one-on-one meetings. Fred Stone said we had previously decided not to use it for meetings. Totten said he wasn't talking about for Club meetings but about two people just meeting and seeing one another.

Adjournment

Ray Hitt moved we adjourn; John Westerkamp seconded. Passed.

The meeting ended at about 8:38 pm.

Notes-December 3 Planning Meeting

By Jim Gifford KD8APT, Secretary

NOTE: This meeting was conducted virtually on ZOOM because of the Coronavirus

Officers and Directors Present: 5

- President: Jim Totten WA8HUB
- Vice President: Don Parker KB8PSL, Public SvcCoord
- Sr. Director: Roger Parrett NQ8RP

- Junior Director: Joe Muchnij N8QOD
- Secretary: Jim Gifford KD8APT, QSL Coord

Functional Coordinators Present: 8

- Sean Dickins K8SPD, IT Coordinator
- Bob French AC8ZU, Webmaster
- Ray Hitt N8VMX, Field Day Chairman
- Jim Lusk KC8EFD, Club House Coord
- Russ Roysden N8NPT, Repeater Coordinator
- Henry Ruminiski W8HJR, GCARES Liaison
- Tink Siwecki KD8NUA, Librarian, Hospitality
- Fred Stone W8LLY, Newsletter

General Membership Present: 8

- Ken Gunton W8ASA
- Ken Moak KM8AM
- Darryl Fowler KD8JQE
- Jacalyn Wysong KE8LZE
- Wynn Rollert W6CDR
- Paul Sharp KD8OPN
- Larry Darner KB8EMD
- Steve Siwecki KD8NUC

Officers & Directors Absent:

- Treasurer: John Westerkamp W8LRJ, Education
- **Total Attendance (All via Zoom): 21**

The ZOOM meeting was called to order at 7:30 by the President, and he uploaded the agenda for all to view.

Totten talked about **Agenda Item 3** first, which is "My current feeling is that we will be doing Zoom meetings at least through February (maybe longer)" No attendee disagreed or added to this discussion.

Agenda Item 1. Report and Discussion on the changes made by John Westerkamp W8LRJ and his team.

Sean Dickens K8SPD provided an update on the new computers (John Westerkamp was ill and could not participate). Dickens said the wireless access point is up and running. The PCs are ready. Computer names will probably be called Com Center 1, 2, etc.

Jim Totten asked if there was an update on Microsoft 365. Dickens said it is still a goal. He knows who he needs to contact in the club. Dickens said he will follow up on it.

A side conversation developed about the number of people in the building and wearing of masks.

In the absence of John Westerkamp, Assistant Treasurer, Paul Sharp KD8OPN provided an interim

Financial Summary. \$250.94 was collected in dues and free money received as part of the Amazon Rewards program and \$2,663.38 in expenditures on the new computers.

Just before the meeting, John Westerkamp sent out the following **EMAIL** on the BARC Reflector:

“For November 2020, we had income of \$250.94 consisting mostly of dues and income from Amazon Rewards for \$35.94. Expenses were \$2663.38 for the new computers and monitors and some networking equipment.

Finally, as voted on at the July Planning meeting and now that we have Internet access through the church, I plan on sending a \$100 donation from BARC to the church next week in a Christmas/New Year's card.

Question: I received two postcards from OARC (Ohio Area Repeater Council) reminding us that every two years the repeater trustee must file a Statement of Record that the repeater is still in use. One was to Dave Walton which is for W8DGN. The other was to Henry Bussey which is for W8GCA and W8TOG (Henry has a repeater, I guess). I can take care of these or forward the postcards to Dave and Henry. Let me know what you want me to do, but we probably need to respond soon.

Summary of Various Upgrades

1. The Wires-X system has been put in place and is being used regularly as people test out the capability. Most people with Yaesu radios should be able to activate the Wires-X system and connect to "rooms" all around the world and communicate with other hams. This is a digital voice system so the audio clarity is excellent.
2. The Allstar Link/EchoLink node has finally been completed and is up and running. I will be sending out some information on how to use it hopefully next week. Much like IRLP (which no longer is available), Allstar allows users to connect to other Allstar nodes and repeaters around the world using DTMF codes. Allstar is an analog system so the audio quality is as good as your audio reaching the local repeater.
3. Clubhouse computer and networking upgrades are in progress. Sean and I were going to install everything today, but I am under the weather so we will do it next week. We will install ham applications on the

computers, bring all the QSO/contact information up-to-date on LotW and Clublog, and install a network access point and switch to link everything together. Sean can provide additional details.

Thanks!

John Westerkamp/W8LRJ
Treasurer and Education Coordinator”

Westerkamp later today sent an updated email to Totten and Jim Gifford KD8APT:

“Here are some updates on the Treasurer's Report for tonight's Planning Meeting. I wanted to make sure they were not missed.

1. In the report, I asked a question about some postcards I received from OARC on repeater coordination for the BARC and GCARES repeaters. Please be sure to discuss that, especially the W8DGN (Dave Walton) and W8GCA (Henry Bussey) repeaters.
2. I spoke with Wynn Rollert, W6CDR, this afternoon and although Henry Bussey is still listed as the Licensee on the W8TOG repeater (it is Henry's callsign, too), Wynn purchased all the repeater hardware from Henry and is in possession of it. I can definitely work on that one with Wynn.
3. The OARC site also asks for a \$5 dues payment when submitting the Statement of Record. IF that could be ok'd, too, that would be great.

Thanks!

John”

Jim Totten led a discussion on what and who is involved in these decisions. Totten said that we need to record an **ACTION ITEM**: **Once John Westerkamp is well, the Board of Directors needs to meet on Zoom and discuss Paragraph 4 of John's email.**

Agenda Item 2. A look at election of officers this year and the subsequent swearing in.

Totten next led the attendees on a discussion on officer nominees for this month's General Membership meeting. There was nothing additional that attendees needed to do at this Planning Meeting; all nominations were made at November's meeting and nominations are closed. Totten asked Steve Siwecki KD8NUC about swearing in the

officers. Siwecki said we don't swear them in, we just welcome them.

Agenda Item 4. (*Agenda Number 3 was discussed in the introduction*) Comments from attendees:

Don Parker KB8PSL stated that he lost a good friend this week, a lieutenant on Centerville's Fire Department, to COVID-19. Parker stressed the importance of wearing masks.

Paul Sharp encouraged members to participate in each Sunday night's BARC Net. Sharp said many have joined this net, and a couple times it went over 50 minutes.

Jim Totten asked in the Worldwide Friendship Net was still on 147.045? One person said he thought it was now on the Kettering repeater, 147.075.

Ray Hitt N8VMX mentioned Trevor Clarke's email on using the solar eclipse for propagation. Hitt suggested we read it and give it a try.

Adjournment

Meeting ended at around 8:11pm.

General Information & Reports

BARC 2021 Dues

BARC Treasurer John Westerkamp is now accepting dues for next year. Annual membership renewal is \$15 per member and \$3 for each additional family member living at the same address.

Dues help support Club activities such as the Clubhouse, the Communications Center, Field Day expenses, the Repeaters, and other purchases and activities as approved by the Club during the year.

BARC Treasurer John Westerkamp will accept dues at Club meetings and other Club activities or you may send your check via U.S. mail to:

**John Westerkamp W8LRJ, BARC Treasurer
PO Box 73, Bellbrook OH 45305**

Please complete and return a new Membership Registration Form to update Club records. Registration Form is available from the Treasurer or may be downloaded from the BARC website.

A separate Registration Form should be completed for each family member. Please include ALL of the information requested (for Club records). You may draw a circle around any information you do not want published in the BARC Directory. Information in the BARC Directory is confidential only to the extent that the Directory is distributed only to Club members and is not to be given out to non-members.

BARC 2020 Meeting Presentations

- **Dec: *Ham Radio Related YouTube Videos***
by Jim Gifford KD8APT

What topics or demonstrations would you like to hear about? What presentations can **YOU** contribute? If interested in doing a presentation at a monthly Club Meeting, please let BARC Vice President Don Parker know. (DParker28@att.net or 937-673-1754)

Presentations normally are 20-45 minutes and can be in whatever style you prefer.

BARC Weekly Net—Sundays 8 PM

The BARC weekly Sunday evening net has been having great participation (around 20-25 per week) during the current pandemic "social distancing" situation!

Remember to join your friends for the BARC weekly Net on Sunday evenings at 8:00 PM on the BARC 2m repeater, 147.045 (+) (no PL). BARC's 70cm repeater, 443.675 (+) (no PL), is the alternate in the event the BARC 2m repeater is not useable.

The Net provides an opportunity between Club meetings to share news and information about Club and personal projects and activities.

Thank You! to the following BARC member who currently fulfill the monthly schedule for **Regular Net Control Stations**: Jim Dean KE8HUD (1st Sunday), Tink KD8NUA & Steve KD8NUC Siwecki (2nd Sunday), Eric Vinande KG6NFJ (3rd Sunday), Paul Sharp KD8OPN (4th Sunday) and John Westerkamp W8LRJ (5th Sundays).

BARC Fundraising Opportunities

• Kroger's Rewards Program

Please remember to use your Kroger Card when shopping at Kroger's and support BARC through the Kroger Rewards Program. If you have not yet signed up and need help, please bring your Kroger Card to the next BARC meeting and we'll help you get registered (contact the Treasurer).

• AmazonSmile Rewards Program

BARC is registered in an Amazon rewards program called **AmazonSmile**. Charitable and non-profit organizations receive **0.5%** of total purchase price (small but it adds up over time). A web page of basic Q&A info on the AmazonSmile program is available at: http://smile.amazon.com/about/ref=smi_se_ft_abt_saas

When you sign up for **AmazonSmile**, simply select Bellbrook Amateur Radio Club as your preferred charity when prompted.

AmazonSmile is a simple and automatic way for BARC members (and family and friends) to support BARC, at no cost to you, every time you shop at Amazon. Just log in to Amazon like you usually do and you'll be asked if you want to use AmazonSmile. Just click YES and you're ready to shop.

When you shop at smile.amazon.com, you'll find the exact same low prices, vast selection & convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to BARC.

So, be sure to register for BARC in AmazonSmile the next time you shop at Amazon and then select the AmazonSmile option.

ARRL Discounted Membership Offer

BARC members are reminded that one of the benefits of Club membership is the opportunity to become an ARRL member at a discounted price.

BARC is an ARRL affiliated club and receives a commission for new first-time ARRL memberships transacted through the Club. BARC passes on this

commission (discount) as a club membership benefit in order to promote ARRL membership.

BARC members currently receive a \$15 discount on a **NEW first year ARRL membership** cost **when placed through the Club**. Please contact BARC Treasurer John Westerkamp W8LRJ for details.
